# Clean Your Boats Trailers & Watercraft

PUMP YOUR BILGE SO THAT IT IS FREE OF AQUATIC PLANTS SUCH AS EURASIAN WATERMILFOIL. WASHING YOUR BOAT, TRAILER OR WATERCRAFT AFTER LEAVING A BODY OF WATER REDUCES THE POTENTIAL TO SPREAD AQUATIC NOXIOUS WEEDS TO OTHER BODIES OF WATER.

CLEAN YOUR BOATS, TRAILERS AND WATERCRAFT SO THAT THEY ARE FREE FROM ANY PLANT MATERIAL. A PIECE OF EURASIAN WATERMILFOIL THE SIZE OF A SMALL POSTAGE STAMP CAN BREAK OFF AND START A WHOLE NEW INFESTATION OF WEEDS.
